VIKING VALLEY PLAYGROUND
In Swensson Park, on the 400 block of N. Main, this one-of-a-kind playground was built by more than 900 volunteers in four days with donated tools. Local schoolchildren were consulted and their ideas were included in the overall design of the project. Highlights of Viking Valley include a tree house, rocket ship, climbing wall and a castle.

VÄLKOMMEN TRAIL
Using Swedish pioneer thrift and ingenuity, Lindsborg took the abandoned Missouri-Pacific and Union Pacific rail beds and converted them into a 3.25-mile, all-weather bicycle and pedestrian trail. The trail, which meanders through the city, is free for public use year round. Enjoy the sights and sounds of nature as you walk across the newly refurbished railroad bridge. See pull-out map for location.

SKATE PARK
Adjacent to the Välkommen Trail and on the 300 block of N. Kansas, the Swede Sk8 Park is open seven days a week from dawn to dusk. Swede Sk8 offers 3,456 square feet of skating including ramps, rails and fun boxes. Full pads and helmets recommended.

GOLF
Enjoy one of the hidden treasures of the Smoky Valley with new and enhanced play areas of lush pushed mowed greens and established rough. The Lindsborg Golf Course is a 64-acre, nine-hole municipal course located 1½ miles east of town. It features 2,682 yards of golf from the longest tees with a par of 34. Par for 18 holes is 69 and additional tee boxes are available for the back nine. Built by Hilding Jaderborg, the course is open year round, weather permitting and walk-ons are welcome. First, north of the Messiah Lutheran Church on Bethany College campus.

POOL
The Lindsborg Municipal Swimming Pool’s grand attraction is called, appropriately enough, “Thor’s Revenge.” Thunder down this 153’ long waterslide or jump off the 5 and 10-meter diving boards. Other amenities include six lap swimming lanes and private parties can be accommodated most evenings. The kiddie pool features zero depth entry, water spouts and is available for children 6 and under. Also an on-site sand volleyball court can be reserved for times beyond regular pool hours.

Private party information: 785-227-3355
On August 19, 1869, the Swedish Evangelical Lutheran Bethany Church was organized under the leadership of Pastor Olof Olsson. The first services were held in “Bolagshuset,” the company house of the First Swedish Agricultural Company located northwest of town, at the base of Coronado Heights. A monument marks the area of the first building near the original town site. The current building was erected 1874.

Freemount Lutheran Church is one of three Lutheran churches established in the spring of 1869 by Swedish immigrants in the Smoky Valley. The original church is the oldest building in McPherson County in continual use.

Messiah Lutheran Church is the first English-speaking church of Lindsborg and has beautiful stained glass doors. Next to the church is the Messiah Labyrinth and Peace Park.

Salemborg Lutheran Church was founded in 1869 by Swedish immigrants primarily from the province of Småland. The church began in a sod dugout, progressed to a small frame church, then to a large single spire church, which was struck by lightning and burned to the ground in 1926. Today, more than 130 years later, stands the magnificent two-tower Romanesque style cathedral.

Karpov was impressed with the town and its people, so it was no surprise when he decided to establish his first U.S. chess school in Lindsborg. Karpov has established schools in 15 countries.

The Karpov Chess School hosts chess camp, competitions and social chess. All levels of play are welcome at social chess. Call for more information.

BETHANY COLLEGE

Bethany College is a college of the Evangelical Lutheran Church in America (ELCA). Swedish-Lutheran settlers worked with the Rev. Dr. Carl A. Swensson, Bethany’s founder, to establish Bethany Academy on October 15, 1881, in the sacristy of Bethany Lutheran Church. Ten students attended the first class.

Today Bethany is a small, private college that provides students personal attention within a caring community. The student body is highly engaged in learning both inside and outside the classroom. Bethany offers a wide array of academic programs. Its education, art, music, biology, chemistry and campus ministry programs are well-known and highly regarded and its athletic teams are serious competitors that have won many NAIA awards. All students are encouraged to explore and deepen their own faith, as they find and follow their paths in the world. The mission of Bethany College is to educate, develop, and challenge individuals to reach for truth and excellence as they lead lives of faith, learning and service.

City of Lindsborg
Lindsborg is one of America’s best small towns. Lively and livable, it enjoys sharing its Swedish immigrant and Great Plains heritage. We have nearly 150 years of distinction in agriculture, higher education, and the visual and performing arts. Combining this with its walkable and bike-able scale, Lindsborg is a great place to grow.

Youthful ideas and priorities help shape the future here. A successful 21-year-old operates a well-regarded coffee shop and wholesale bean roastery. Bethany College alumni launch their own businesses and practices, families and personal endeavors here. Young makers have a place here, too -- founding new crossroads for the fine arts, crafts and the spirit of continued learning.

Lindsborg feels larger than its 3,500 residents – and yet small enough to make your very own. Come join in.
